Youth Super Bowl Party
Sunday, February 4th, 5:30 PM

Youth and their families are invited to our Community Building to watch the battle between the Eagles and Patriots in **Super Bowl LII!** Subs, hot wings and drinks are provided. Boys should bring a salty snack and girls bring something sweet.

Reason to Rejoice!

By January 7th, our **Thanksgiving Missions Offering** had surpassed our goal of \$18,000 with a grand total of **\$21,682**, our highest total in many years (maybe ever)! Thank you for your generosity and dedication to missions!

More Reason to Rejoice!

As of January 2018, our building mortgage has been **PAID IN FULL!**

Almost twelve years ago, our church stepped out on faith to borrow \$1.5 million for the construction of our new facility on Pole Green Road. That debt has now been paid off — years early due to the generous gifts of dedicated church members. During that time, we also added the community building, garage, classroom trailers, additional acreage, and the Hebron Campus with no additional debt. **God is good!** What will He lead us to do next?

FUN!Friday

Over the past few weeks, I have enjoyed delving into Romans 12 with you, both on Sunday mornings and in mid-week gatherings. We have over of 75 adults

participating in the “r12: True Spirituality” study, including at least one Sunday School class. And some of those folks have actually taken me up on the challenge to memorize the whole chapter during this six-week series! (I’m not there yet, but I’m still working on it.)

On February 14 (yes, Valentine’s Day), we will wrap up the last of the six sessions for our Wednesday evening group. This means, while keeping everything we have learned tucked in our hearts as a treasure, it is time to move on to something new.

For the five Wednesday nights after “r12”, leading right up to Holy Week, I have decided to offer the Ray Vander Laan series called “Walk As Jesus Walked.” Some of you are familiar with Vander Laan’s studies. My father-in-law Howard introduced us to these last year, and we have presented several on Wednesday nights. Through the video, we are able to take a virtual tour of sites in the Holy Land and other parts of the old Roman Empire. The host blends Biblical teaching with the site-seeing.

So from February 21 to March 21, we will be following a similar format to what we are doing now with “r12.” All adults will be invited to meet together in Room 200. We will watch the DVD then spend some time in discussion and application of what we have learned—possibly splitting up into smaller groups for the latter part. As far as I know right now, this will be the only Wednesday night study for adults. I think you will find it very interesting, and I hope you can join us. Some of the topics are a great lead-in to Holy Week.

The details are still being worked out, but I’m excited about what we may be able to offer after Easter. Several studies are in the works, including “Goliath Must Fall: Winning the Battle Against Your Giants,” “I Peter: Walk the Talk” and Dave Ramsey’s “Financial Peace University.” “Financial Peace University (FPU)” is a very popular resource about managing your money (including freedom from debt) from a Christian perspective. It comes highly recommended, and we will be promoting it in the community as well as in the church.

God has blessed us with great resources and gifted leaders. I hope you can take advantage of some of these wonderful discipleship opportunities. God bless you all!

It’s February...time to think about Summer! Actually, for most people our thoughts are not there yet. However, I want you to be thinking about Music and Worship Arts Camp, and whether there is a 4th-9th grade student you know that would enjoy and benefit from this.

Camp is held at Eagle Eyrie (Lynchburg) the week of July 16-20. This camp is designed to give students an opportunity to develop the arts we use in worship. The most obvious is music - singing and playing instruments. But there are other arts that enhance our worship - interpretive movement, banners, and drama, to name a few. Children and youth are just beginning to see where their gifts and strengths are, and I believe we should give them every opportunity to explore and develop their gifts. We may have the next great song writer, worship leader, or evangelist in our group of students, ready to make a difference in our church and in our world.

There will be a sign up sheet out soon for this great camp. It made a difference to me when I was a child, and I know it can impact your student as well.

See you in worship,

Carol

STEWARDSHIP

So far this winter we have had two icy Sundays (Dec. 10 and Jan. 7), as well as one snowed-out Wednesday. We've not yet had to cancel all our Sunday services, but that might well happen before spring arrives. Please remember that whatever the weather, all the financial obligations of the church remain the same: mission & ministry support, staff salaries, utilities, etc. Thanks for being faithful stewards and helping the church stay on budget in this new year.

Thanks also to those who have volunteered to help with snow removal. There is still a sign-up clipboard in the Commons if you want to be "on call."
