The bulk of ministry in just about any church is done by dedicated volunteers, but a few well-chosen staff members can surely help the church operate smoothly and effectively. I am blessed to not only be one of those paid staff members, but also to work with a great staff team!

When it comes to hiring church staff, there are different trains of thought. Some churches prefer to find prospective ministers and support staff from outside the church family—often times to avoid “family entanglements.” But others regularly hire from within the church, choosing people who have already proven their worth in volunteer leadership roles.

Here at Broadus, we have been blessed through both avenues. I came from the outside, having been invited in through the Pastor Search Committee almost twenty years ago. I believe Ellis, Karen, Randy, Jeff and Gladys also were called from outside the church to handle certain ministries and responsibilities. But then others on our staff were “discovered” right here. Carol, Dare and Buddy were all church members for a number of years before they were asked to serve on staff. We have discovered treasures from within and without!

In case you have not met her, let me introduce you to our newest staff treasure. At the March business meeting, **Charlotte Schuhle** was officially hired to be our new part-time Worship Leader at the Hebron Campus. It was a real blessing that we didn't have to go looking for her. She came to us!

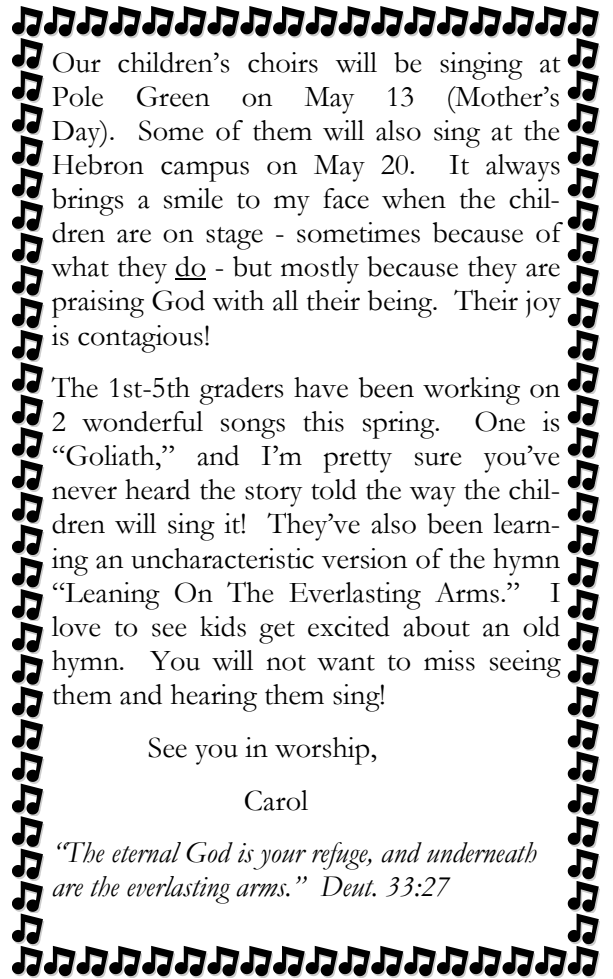

Over a year ago, Charlotte and her husband Jake began worshipping at Hebron. Within a few months, she plugged into the praise team and he began assisting with audio-visuals. They truly feel a call to serve. Knowing her gifts, it was an easy choice to ask her to step into the new leadership position. I consider that she was called from within the church family.

Charlotte is currently a full-time student in the Choral Music Education program at VCU. Jake is a firefighter with Hanover County. We are so glad they are a part of the Broadus family, and we look forward to many years of ministry together.

God bless you all!  
Pastor Phil

Charlotte and Jake Schuhle

Our children's choirs will be singing at Pole Green on May 13 (Mother's Day). Some of them will also sing at the Hebron campus on May 20. It always brings a smile to my face when the children are on stage - sometimes because of what they do - but mostly because they are praising God with all their being. Their joy is contagious!

The 1st-5th graders have been working on 2 wonderful songs this spring. One is “Goliath,” and I'm pretty sure you've never heard the story told the way the children will sing it! They've also been learning an uncharacteristic version of the hymn “Leaning On The Everlasting Arms.” I love to see kids get excited about an old hymn. You will not want to miss seeing them and hearing them sing!

See you in worship,

Carol

## Hebron Happenings

“Do the Dew” was a slogan of the Mountain Dew soft drink. We want you to help us “do the do” in showing God's love.

Serving our neighbors is something we are called to do. The Mens (but this is open to anyone) Thursday Night Bible Study and Accountability Group has decided to use the summer months to do some mini-mission projects in KW and K & Q Counties. We will be starting on Thursday May 3rd. This will be in the evening. It may include cutting firewood, helping someone with a project around the house or in their yard or some other event. If you would like to help, contact Sean, Brian, Chuck or Jeff. We would love for you to join us. We can do more good with you than without you!

Pastor Jeff
