Recipes Due by Next Sunday

There is a collection box in the Commons for your recipe contributions, or email to office@broadusmbc.org. (Please let us know if your dessert has ever been shared as part of our Living Nativity refreshments.) The inexpensive booklet will be available for purchase upon completion..

At Broadus Church, you can belong to a welcoming family of faith that helps people become all God means for them to be through a life-changing relationship with Jesus Christ.

School Backpack Project

Goal = 200 Backpacks

Even with much uncertainty about the fall schedule, under-privileged students need to be prepared and equipped. Many families are facing a greater financial crunch than ever before. They also need to know that God and the Christian community love them.

The church is able to get backpacks for just \$12 each—and they come pre-packed with age-appropriate items for elementary, middle and high school. Please designate your gifts to "Backpacks." Checks should be made out to the church. Collection boxes are available at both campuses, or gifts can be mailed to the church office. Any funds beyond the \$2,400 goal will be used to purchase more school supplies for the packs and classrooms.

Special Business Meeting TODAY at 5:00 pm

We will meet at the Picnic Pavilion with social distancing, recommended masks, and a radio broadcast for those who prefer to participate from their cars. At this meeting, we will be voting to approve some revised job descriptions and the hiring of Tyson Banks as our new Youth Minister! We will also receive the 6-month financial report, discuss special missions expenditures, and consider a proposal to revise our committee rotation system this year.

Important Worship Announcement

Beginning next Sunday, August 2nd, we are going to be having a weekly **9:00 am Drive-In Service** instead of our two in-door services. This service will meet in and around the Picnic Pavilion, and will be broadcast on our FM 90.9 radio frequency. Folks may choose whether to stay in their vehicles or sit with social spacing in the Pavilion shade. Masks are always recommended.

The purpose for this change is to help increase our attendance and the fellowship connection of the church. It has been working well for our Hebron campus. This will also allow Sunday School classes to schedule Zoom or in-person gatherings on Sunday mornings. Thanks for your flexibility as we navigate these strange times! Find more details in the August newsletter.
