New Sunday Worship Service!

Beginning on June 20, we will be adding back our **11am Worship Service**. Both services will have a blended style. We expect for a time the 11:00 service will be smaller in attendance, but we will be praying for both our services to grow as people return to church. Please choose the service that best meets the needs of you and your family.

Great Yard Sale!

The yard sale was a success through the efforts of so many people! Thanks for the generous donations and the countless hours of volunteer labor. Most importantly, we are thankful that some of our hurting neighbors can be helped through the Mo Hope Ministry. We also pray for the opportunities of outreach that come from our interaction with this community. May they always see Jesus in us!

CHILDREN'S SUNDAY SCHOOL!!

Ms. Karen is hosting Children's Sunday School on Sundays at 10 a.m. for children 4 years old – 5th grade! We are meeting in Trailer #2 and use the Online Sunday School materials. After our lesson time, we will head out to the playground for the remainder of the Sunday School hour. Masks will be required indoors.

Parent-Led Nursery Care

Preschool classrooms 108/110 & 109/111 are available as a places for parents to care for their children during worship, while still feeling part of the church family. Parents are welcome to take turns with their children, and even to bring devices to stream the service into the room. As summer progresses, we will be building toward a regular program of nursery care for worship services.

Of course, parents are always welcome to keep their babies and preschoolers with them in worship. We encourage the development of family worship, especially involving school-age children. On most Sundays, a Children's Message is part of the order of worship, and Ms Karen always provides a clipboard of worship-related activities to keep young hands and minds engaged!

Office Hours

For the spring months, our church office hours will continue to be Monday-Thursday, 8:30-12:30.

New Freedoms

The Governor and CDC have announced that “fully-vaccinated individuals do not have to wear masks in most indoor settings... Those who are unvaccinated or not fully-vaccinated are strongly encouraged to wear masks...” The Church Council supports those recommendations, and asks that if questions remain, members would consult with their healthcare provider in order to make the most informed decision about vaccines and masks, especially in regard to youth and children. Please use your best discretion. Wearing a mask is always welcome for extra protection.

The state has also lifted most social distancing mandates. We will still try to provide for extra distancing between rows in worship, and simply ask that you honor the personal space of others.

Above all, let us love and respect one another - even at times we differ in practice and opinion. The world will see Christ in us by our love for one another!

Ladies Book Club At the Picnic Pavilion

Our next meeting will be Monday, June 28 at 1:00 to discuss “*Ordinary Grace*” by William Kent Kruger.
