## Handicap Ramp Ministry!

The Lord has opened the door for Broadus to have a handicap ramp ministry! We have a volunteer team willing to install and remove aluminum ramps, but with 4-5 families currently being served, we need additional ramping! If you know anyone willing to donate aluminum ramping to this ministry, please contact Dan Johnson at 804-224-0480 or [vajohnsons@comcast.net](mailto:vajohnsons@comcast.net). When ramps are no longer in use, they will be returned to Broadus so that they can be available to meet someone else's need. This is a vital and sustainable ministry!

## Get ready for the quest of a lifetime!

This year we are offering Bible School at church & at home! The in-person sessions will be held in the Great Hall of Broadus Castle (a.k.a. the Worship Center). Sun., 8/8 -Thurs. 8/12 from 6-7:30 p.m. On our quest to find the Armor of God, we will enjoy music, Bible stories, scripture,

Bags filled with your "Quest Essentials": game instructions, craft supplies, song lyrics, missions info & snacks; should be picked up from Broadus Castle before Aug. 8. It's hard to believe we are moving into the tail-end of summer already! It has been nice to have more safety and freedoms than this time last year, but churches, schools and businesses are still trying to navigate in a world where multiple variants of the coronavirus still exist. As we move into fall, plans are being made at Broadus to resume as much a sense of normalcy as possible.

Earlier this summer, we brought back our 11:00 Sunday morning worship service. Though the attendance has been small (30-60), we have been consistently having guests, and look forward to an uptick as summer vacations wind down. Our 9:00 service continues to average 130-150. For a sense of unity, we plan to continue our "blended" style for now. It is a blessing to bring *new treasures as well as old* from our musical storehouse! (Matt 13:52)

I appreciate that a number of our Sunday School classes were able to continue or resume during these months of Covid. We look forward to several new classes beginning on September 5th as we once again offer a full Bible study program. In the coming weeks, we will put out information about the classes and where they will meet. If you are not currently active in a Sunday School class, I hope you will make it a priority this fall.

There are so many other things we are working on, as well. The exact form of our mid-week ministry is still developing. I will be trying a hybrid approach (in-person & virtual) for a study of the Old Testament Patriarchs, and am hoping several other adult small-group studies will also be offered. We want to have programs for all ages as we have in the past, and possibly dinners too, but so much hinges on the level of interest from you, our church family.

This is a **call to action!** God is the source of the health and growth of our church, but He calls on all of us to do our part. We need to be good stewards so that the resources for our mission and ministry are available. We need to be participants so that the manpower is available. And we need leaders to step forward to teach and serve and guide new ministries. It's only by everyone stepping forward that we can staff our nurseries, start new classes, care for our facility, and reach the community for Christ! The Apostle Paul said we, as a church, are like one body with many parts—each having its own special function. Every believer has something to bring to the table. We've always needed each other, but I believe that's true now more than ever. Stand up and be counted, then watch what the Lord does!

Thank you for your patience during these trying times. We will not only make it through, but will *grow in the grace and knowledge of our Lord and Savior Jesus Christ (2 Peter 3:18).*

Blessings to you all! —Pastor Phil

### Hebron's 5 Year Anniversary is Approaching

On October 9, 2016 the Hebron Campus of Broadus Church opened its doors. We faced a lot of storms to get opened: building renovations, property title issues (due to a county courthouse fire in the 1890s), lack of education space, and even impact from the remnants of Hurricane Matthew. Looking back it seems appropriate that we faced these issues since so much of the life of a church is putting out fires and following God during storms.

The Hebron Campus would not exist if it had not been for dedicated people from both campuses who helped us launch. I am grateful to so many people, but also for our church to take a huge step in opening a second campus. I am thankful for people who helped us navigate legal issues, survey the land, and work on the physical building. I am also appreciative of the core team from Pole Green who came to Hebron for a year to help us launch, and for a small group of believers who felt God had led them to start a new church in an old building in King William County. I continue to be amazed and thankful for every person God has sent through our doors in the last 5 years. My greatest joy is being your Pastor.

We are going to celebrate our 5-Year Anniversary on Sunday, October 10th with a worship service and a potluck dinner to follow. We also plan on having some smaller events leading up to our big day. If you would like to be a part of this planning team we will meet on Monday, August 16th at 6:00 PM in the fellowship hall at Hebron. I cannot wait to see what God has planned for us in the next 5 years.

Pastor Jeff

### Tyson's Corner

[tyson@broadusmbc.org](mailto:tyson@broadusmbc.org)

Hello Broadus Family,

I wanted to thank you again for the opportunity to take your kids to camp. We had an amazing time. The students grew closer to each other than ever before. The two campuses are practically wanting to be one. We cried together; we rejoiced together. Most importantly, we have five new members in the family of God. Thank you for your prayers and your support. It's evident alongside His work.

There is a place for everyone who wants to be a part. More information will be provided in the coming weeks during service and in the bulletin. Thanks again for all you do to help show God's light!
