Note from Carl!

Thank you for your warm outpouring of love last Sunday. I am pleased to announce that after more than 2 1/2 years of my leading the choir and traditional music on an interim basis, God has provided a person who is trained and well qualified to take over this position. Abby Carter has begun leading the choir, and will be stepping up to help lead worship. I am looking forward to singing in the choir under her leadership.

Abby is no stranger to the Broadus music ministry. She has sung and played with us in high school and college. Now she will be graduating from JMU with a degree in music education following her student teaching.

On March 20, the church will vote for Abby to join the staff in a part-time Worship Leader capacity. I hope you will welcome and support her, as you have done for me.

Pray for our youth group as they return from the Spring Retreat. We expect them back around 12:30 today.

Free Devotional Guides

There are still some of the “Torn” devotional guides available at the back of the worship center. It’s not too late to begin the daily readings that lead up to Easter.
