Youth Sunday & Graduate Recognition

Youth Sunday and Graduate Recognition at the Hebron Campus is June 5, and at the Pole Green Campus June 12. Come support our students on this special day as they use their gifts in worship. Allow God to speak to you through them.

We will also recognize our high school, college and grad school graduates. We are happy to share in this great accomplishment with them, and pray for God's continued leadership in their lives.

"Charm is deceptive, and beauty is fleeting; but a woman who fears the Lord is to be praised."

Proverbs 31:30

Broadus P31 Women is a new women's fellowship group open to all women. The purpose of the group is to ENCOURAGE, CONNECT, and PRAY for the women of Broadus church and beyond. We aim to hold regular fellowship events and invite your participation whenever you are able.

The next event will be held on Saturday, June 18 from 8:30-10:30 a.m. in the community building. We will enjoy a potluck breakfast, a devotion time and then a fun activity. Bring a dish to share, a pair of white, slip on sneakers (Walmart is a good place to find a pair) and a disposable, aluminum pan (roasting pan size).

It's been a wonderful first few months working with the choir here at Broadus - my family and I have felt incredibly blessed by the welcome our church family has given us! I've enjoyed getting to know more folks on Sunday mornings and Wednesday evenings, and even popping into children's choir. The choir has done a beautiful job singing in Sunday services, both on their own and with the praise team. Every rehearsal we have together is a great time of fellowship, music-making, and worship! We are planning to take the summer off from regular rehearsals but will be singing on Sundays from time to time throughout the summer. When regular Wednesday rehearsals resume in the fall, we welcome any new or returning folks to come sing - If you love to worship through song, we'd love for you to join us!

Blessings,
Abby Carter

Looking for a Few Good Men

I recently preached a sermon on "Fathering the Fatherless." I have been convicted about how many children, especially boys, who grow up in a home with no father present. In the U.S. nearly 18 million children are in a single parent home. 16.5 million live without a father in the house.

Children need a father and a mother but especially boys need a male figure in their life. I am trying to find some men who are interested in pouring into the life of a young man. We are looking for all men from 20 somethings on up. Maybe your children are grown and you have some time to pour into a young man, 1 day a week or a couple of days a month. The first step is finding some men who are interested in volunteering with me. Once we have a list we can see how many boys we can mentor. I am excited about how many lives can be changed in our community when godly men act. I hope you will be at PG on June 26th. This will be the subject of my sermon.

Yard Sale Success!

The yard sale at Pole Green Campus raised nearly \$3200 which will be used to purchase a storage trailer that will house the furniture ministry items and provide a workspace to rehab the pieces. Medical equipment for loan will also be stored there.

The Hebron campus yard sale took in about \$600 to benefit the food ministry which also raised awareness of this vital ministry for the community.

Thank you for your participation in these efforts!
