Summer Youth Camp Fort Caswell, NC August 1-5, 2022

After a two-year hiatus due to the coronavirus, our youth group is going back to a big-group summer camp. Fort Caswell, a North Carolina Baptist retreat center at the coast, is a new destination. This year's theme is "Worth It!"

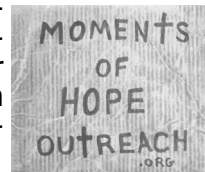

Please pray for our 32 students and adults who will be attending the camp—for safe travels, spiritual enrichment, and wonderful relationship building. They will be gathering to leave at 8:30am on Monday the 1st, and should arrive home mid-afternoon on Friday the 5th.

BROADUS 101
Sunday, August 21st
9:00-9:50am (during Sunday School)

Are you interested in learning more about Broadus Church and what it means to be a member here? Pastor Phil will lead this informative question and answer session designed for guests and new members. It's a great way to meet others new to the church, and to top it off, snacks are provided! Bring any questions you might have. We will meet upstairs in Room 208. If you would like to attend, please take a moment to email phil@broadusmbc.org or call 779-2700. (But you can come even if you forget to RSVP!)

Moments Of Hope Food Outreach Saturday, September 3rd

Because the needs of the community have changed, we will now be serving lunch for up to 400 guests. You can be involved through donations, food preparation, serving on site, and clean-up after the event. Watch for donation needs and a volunteer sign-up sheet by mid-August. For more information, talk to Susan Smith, our coordinator for this important ministry.

We had a great Bible School week at the end of July! Our appreciation goes to every family that brought their children out to participate, and to all the youth and adult workers who made this wonderful event possible!

Since Amber and I returned from our sabbatical travels, a number of people have asked to see

some pictures and hear about our experiences. I've been debating the best venue for such a report, and have decided that a Wednesday night might work just fine. Nothing much is happening on Wednesday's until September, so we've chosen **August 17th at 6:30pm in the Worship Center.**

Knowing that watching someone else's vacation photos doesn't rank high on everyone's to-do list, I've decided to sweeten the deal. Let's make it a **Sabbatical Report AND Dessert Social!** Amber and I will bring some stuff, but would also love to have backup from a few of you. Let me know if you are willing to bring something to share.

Beyond simply pictures of the amazing rock formations of Utah and foliage of Panama, Amber and I would also like to share with you a few spiritual lessons that leaped out at us from God's amazing work of creation (including the people He created). As people of faith, it can be helpful to slow down and put up our spiritual antennae. It helps us to see the hand of God at work and to hear His voice speaking to us.

I also want to take just a moment to remind you of our current worship series—and to *invite* you if you haven't been with us in a while. This month we will be continuing our series *"Forgotten Names, Remembered Stories."* In July we looked at four friends with leprosy, a humble father, some wise servants, a Samaritan woman, and an Ethiopian official. In August we will be considering the thief on the cross, a man born blind, a widow with two pennies, and the Philippian jailer. The stories of these unnamed people have been preserved for us by God. They teach us valuable lessons about responding to Jesus in faith. Our names may not be long remembered, but I pray our examples of faith and commitment will make a difference in people's lives long after we are gone.

I know August is a big month for vacations. Find time to relax and have some fun, but also come worship with your church family whenever you can. I think you will find it healthy for body and soul. God bless you all!

Pastor Phil

*"Therefore encourage one another
and build each other up,
just as in fact you are doing."

Hebron Happenings

It is almost time for school to be back in session. Thank you for your donations towards backpacks for King William and King & Queen students. In August we will shift our emphasis to helping teachers get supplies for their classrooms. The schools are always in need of volunteers in duties varying from administrative tasks to mentoring children. If you are interested please contact one of the schools.

A leadership team will be meeting soon to discuss Hebron campus plans for the fall. If you have any ideas of activities or ministries that would help us share Jesus with our community, please let Pastor Jeff know.

Let's remember these promises from "I Am A Church Member:" I will be a unifying church member (it's not about my preferences). I will pray for my church leaders and lead my family to be healthy church members. I will be a functioning church member and treasure church membership as a gift.

August Mission Project Teacher School Supplies Donations

Beginning August 7th-September 4th, we will be collecting school supplies for teachers serving in King William and King & Queen public schools. Look for the school supplies wish lists and collection bins at the Pole Green and Hebron campuses. We know that teachers are specifically requesting bottles of hand sanitizer, dry erase markers and disinfectant wipes!
