SERMON NOTES

Elijah and the God Who Provides

Our God is sometimes known as *Jehovah Jireh*, the God Who Provides. We see this truth of God’s character revealed in the life and ministry of the Prophet Elijah. Whether we are currently experiencing abundance or need, we need to know He is our Provider, as well.

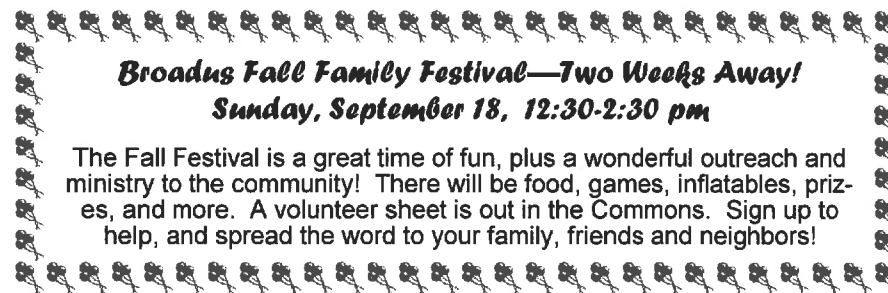

- ◇ God is the Provider when times are easy.
- ◇ God is the Provider when times are hard.
- ◇ God often makes provision for us in amazing and unexpected ways.

Why does God allow us to experience times of need and hardship?

- God uses times of need to teach us deeper faith.
- God uses times of need to get us where He wants us to be.
- God uses times of need to open our eyes to unexpected blessings.
- God helps us differentiate between need and greed.
- God teaches us the importance of kindness and generosity to others.
- We learn we are never as “empty” as we think we are.

Pastor Emeritus Joe Holland is celebrating his 90th birthday on September 16! His children will be visiting him in Morganton, NC on that day and would like to surprise him with cards and notes from his Broadus friends and former church family. It is certainly fine if you have already mailed a card, but if not, we are collecting them in a basket at church. **Please make sure your note gets to the office no later than Wednesday, Sept. 14.** Rev. Holland's son, Robert, will be picking them up to deliver to him. Please help keep this a surprise!

The church office will be closed tomorrow for Labor Day.

Grief Support Ministry

There are a number of people in the Broadus family who have lost loved ones (spouse, parent, child, sibling) over the past several years. We saw the need for Broadus to have a grief support group to help anyone who is having difficulty coping with their loss. The group will meet at the church on the 2nd and 4th Mondays of each month at 6:30 pm through November, **starting on Monday, Sept 12.** Carl Monfalcone will facilitate the group. If you or a friend are interested in participating, please email Carl at cdmonfalcone@comcast.net, or text/call him at 804-334-9203.
