#### What's in a Name: Messiah

One of the most important and most common titles for Jesus in the New Testament is "Christ." It is the Greek translation of the Hebrew term "Messiah," which mean "The Anointed One."

In the Old Testament, prophets, priests and kings were often anointed with oil to illustrate their appointment to a high office. Jesus the Messiah fulfills each of those ministries with complete perfection.

Isaiah 11 is one of the many messianic prophecies found in the Old Testament. It helps us understand at least three very important characteristics of the One sent by God to bless and to save us.

- ◆ He is the Righteous Messiah. (11:1-5)
- ◆ He offers Peace and Security. (11:6-9)
- ◆ He extends an Invitation to all who are scattered and lost. (11:10-12)

God's Anointed One, Jesus Christ, offers you a place in His kingdom. Won't you accept His offer today?
