#### The Treasure Principle: Investing in the Next Generation

Timothy was a young man who became a faithful friend and co-worker of the Apostle Paul. We can see in his life the wonderful influence of his godly mother and grandmother who raised him in the Jewish faith, then set the example of following Jesus. From them and Paul, we learn some important lessons about investing in the lives of young people.

#### 2 Timothy 1:3-7 & 3:14-17

- ◆ Investing in the next generation means teaching the Bible.
  - ◇ "...from infancy you have known the holy scriptures..." (3:15)
- ◆ Investing in the next generation means setting a strong example of faith.
  - ◇ "...your sincere faith, which first lived in your grandmother ... and mother..." (1:5)
- ◆ Investing in the next generation means helping young people discover their own spiritual gifts.
  - ◇ "...be thoroughly equipped for every good work." (3:17)
- ◆ Investing in the next generation means encouraging young people to become all that God means for them to be.
  - ◇ "...fan into flame the gift of God which is in you..." (1:6)

## MCEF "Senior Rides" Needs Volunteers

This program helps our seniors and disabled citizens stay in their homes by giving rides to medical appointments, grocery shopping and personal business appointments. Volunteer drivers use their own vehicles and choose the rides to fit their schedule. Drivers are reimbursed \$.50 per mile to offset the cost of gas. Ride coordinators schedule the rides and inform the drivers. Both drivers and coordinators are needed. If you can share a few hours each month and have a desire to help our seniors, please contact MCEF Senior Rides at (804) 357-9360, or by email at: [Office@4mcef.com](mailto:Office@4mcef.com).
