SERMON NOTES

Joseph: God-Given Gifts at Work

Chapters 40 and 41 of Genesis reveal why God allowed Joseph to spend much of his life in Egypt. Even during his time as a slave and a prisoner, God was equipping him to help save the entire region—including his own family—from seven years of severe famine. God uniquely “gifted” Joseph with the special skills and abilities he would need to accomplish God’s purposes— from interpreting dreams to administrating the distribution of food.

- ◆ Though our circumstances are much different from Joseph’s, we should be aware that God has also uniquely “gifted” each of us according to His purpose for our lives.
- ◆ When God gives us skills and abilities, He also gives us opportunities to serve Him by helping others.
- ◆ When we use our spiritual gifts for the Lord, He receives the praise and the glory!
