SERMON NOTES

Interruptions As Opportunities:
“An Opportunity for a Teachable Moment”

One day as Jesus was preaching inside a packed house, four men decided to dig a hole in the roof in order to lower their paralyzed friend into his presence. It was surely an interruption like few others! But instead of being angry or annoyed, Jesus realized it was a great opportunity for a teachable moment with the paralyzed man, his friends, and the audience in the house, including religious leaders.

- ◆ A Lesson about Faith
- ◆ A Lesson about Forgiveness
- ◆ A Lesson about the Authority and Power of God’s Son

We should be aware that interruptions in our lives can often be opportunities to share truths about God and faithful Christian living.

Many thanks to everyone who participated in our great Bible School last week! It could not have been accomplished without dozens of dedicated volunteers. But most of all, we are appreciative of every family who brought their children to be part of the celebration.

Moments of Hope Ministry This Saturday, July 6

Please bring food donations and plastic grocery bags to the church by this Wednesday. We need lots of help to feed 400-500 people, so please consider signing up as a volunteer to prepare, serve and/or clean up.

Sunday School Promotion Next Sunday, July 7th

We have moved Sunday School Promotion from September to July! Some children will move into new Classes based on their school grade in the fall. Check the classroom board in the Commons. Those moving into the 6th grade will be in the youth group and will meet in the Community Building.
