*Dear Broadus,
Thank you for your generous support of InterVarsity ministries. Because of you, 13 ODU students attended the Rockbridge Summer Conference in May, where one gave their life to Christ and six were trained to lead small group Bible studies. Our 50-person chapter now includes 8 student leaders with thriving men's and women's small groups. God is clearly moving on campus, and your partnership is helping it happen!*

*With Gratitude,
RaVonn & Melody McDowell*

SERMON NOTES

Lesson of the Bones: Elisha's Long-Lasting Legacy
2 Kings 13:20-21

Some time after the Prophet Elisha's death, an Israelite funeral party came under threat by a marauding band of Moabites. In their haste, they threw the body of the deceased into the tomb where Elisha had been buried. When the corpse touched his bones, the man came back to life!

What might the life and death of Elisha teach us about developing a long-lasting spiritual legacy?

- ◆ Our spiritual legacy begins when we "sell out" for God.
- ◆ Our spiritual legacy develops as we humbly aspire to serve God to the fullest.
- ◆ Our spiritual legacy is set when we serve with perseverance to the end.
- ◆ A strong spiritual legacy can make a difference even when we are gone!

Bible School Begins Tomorrow!

It's not too late to invite a friend and register!

Supper is served at 5:30 pm each night and the program runs from 6 - 8 pm.

Helpers are needed to reset the Worship Center after worship today.

Pray for a God-filled week!
