SERMON NOTES

Guarding Your Treasures: The Treasure of Your Friends

Two are better than one, because they have a good return for their labor:

If either of them falls down, one can help the other up.

But pity anyone who falls and has no one to help them up.

¹Also, if two lie down together, they will keep warm.

But how can one keep warm alone?

Though one may be overpowered, two can defend themselves.

A cord of three strands is not quickly broken.

Ecclesiastes 4:9-12

- ♦ Good friends are there through thick and thin.
- ♦ Good friends are kind.
- ♦ Good friends are honest.
- ♦ Good friends bring out the best in each other.

Knowing the qualities of a good friend is important in choosing friends,
But even more important is becoming a good friend.

Jesus is our greatest role model!
