SERMON NOTES

The Power of Jesus Revealed:
The Power of Wholeness over Brokenness
John 9

One of the most notable things about the earthly ministry of Jesus was his healing ministry. Every miracle was unique, but they each demonstrated his power to confront brokenness and replace it with wholeness. In the account of Jesus bringing sight to a man born blind, we can see that more was being accomplished than just physical healing.

We thank all our military veterans and active personnel for their dedicated service!
